Please use the National Trust car park at Marloes Sands and walk the 100m to our door

*ABOUT BOOKINGS

The impact of taking bookings is that we serve fewer people in a day than when we operate on a walk-in basis. Our cafe needs to make the very most of dry(ish) weather so that we can remain open for the winter months.

Managing bookings also takes up a lot of our time and we simply do not have the people-hours for it in the weeks that the most team members are taking much-needed holidays (September).

Our social media and answer phone message are the best places to find up-to-date info!

If you ever want to be sure about our booking status before you head out (including on Boxing Day and New Year's Day), please get in touch and check.

Thank you
